The Lions  
Cancer Trust  
Mobile  
Screening Unit  
South Island

Admin Room

Testing Room 1

Testing Room 2

Both rooms have individual a/c units, small private changing cubical with skylight, hot/cold running water, hopper window & own external entrance.

Testing Room 1 is slightly larger to accommodate housing the small fridge & microwave in the admin room and has the external facing TV

Awning has a window/door at each end as well as front left of the main long run.

NO DRUGS HELD IN VEHICLE
